

REMARKS

Upon entry of this amendment, claims 1 and 30-37 will be pending. Claims 2-29 are being cancelled, without prejudice to applicants' right to again present claims of a similar scope in this or a continuing application.

Applicants wish to have made of record the 22 documents listed on the accompanying Form PTO-1449, a copy of each document being present in the file for the immediate parent application. Return of an initialed copy of the form, indicating consideration of the documents, is requested. Should any of the documents not be readily available, applicants' attorney will be pleased to supply it.

Additionally, a replacement for original Fig. 1 is enclosed, in duplicate. This drawing is believed to comply with all formal drawing requirements.

The application is considered to be in condition for allowance. However, if any minor substantive or formal issues remain to be resolved for disposition of the application, please contact the undersigned to arrange for a personal or telephonic interview.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Robert A. Franks". The signature is fluid and cursive, with the first name "Robert" being more prominent than the last name "Franks".
